As we continue to progress through the summer, Heritage Millwork and Windows would like to wish the best to all of our valued distributors and customers throughout the province, and we hope that everyone is safe during their holidays.

We have a couple of doors available for incredible prices right now. They are available only as 36" doors, and are stain-grade fir. These 6 lite beveled glass, 3 raised panel doors are available pre-hung in a 6 1/2" frame for only \$806.47. A similar door, also only available in 36", is a 6 lite, flat glass, with 2 raised panels, available pre-hung for only \$695.75. Both doors come with a loose, or applied dentil shelf. This is a limited time offer,

Product	Lead Time
Vinyl Windows	4 weeks
Wood Windows	6 weeks
Doors	6-7 weeks
Specialty	8 weeks

and we encourage our customers to act quickly, so they can receive the savings from this great sale. These doors are retailed at \$3815.90 and \$3149.30 respectively.

### Product News

New this month to Heritage Millwork and Windows Ltd. are two new high definition steel door designs. The soft arch (whd2-a) and the soft arch plank (whd2-ap) are now available from our suppliers. The soft arch simulates a 2 panel wood door, with an arch topped panel, at the height of the door. The soft arch plank door, simulates the same 2 panel arch topped door, but with the added definition of a V-Grooved design, or "plank-style." These doors are available in 32", 34", and 36." Please call our sales department for more information on pricing, etc...

Our office is open from 7am until 4:30 pm throughout the summer. Call us for estimates, shipping information, or even just to ask a question about any of our products. We are always happy to help.
